## Fair Haven Burnaby Lodge - Facility Update #6

Nothing New to Report, Thankfully.

We have NO ADDITIONAL CASES at Fair Haven; we remain a facility on outbreak with only one confirmed positive case: a staff member.

We continue to get support from Fraser Health as they have sent additional staff to assist with screening and training. Staff are in good spirits; one of our artistic staff members created this image to help us smile.

The Artist is our own Marcily, a Resident Care Aide.

For families trying to reach the recreation team, I apologize for noting the wrong number in our last letter; please call:

Recreation 604 435-0525 ext 351

Thanks for the notes of support.

I will reduce the frequency of my notices.  
Remember, No News is Good News.  
Stay well. Stay safe.

Joy Parsons,  
CEO, Fair Haven Home Society

Betty Wong  
Board President
